

Full Day Whitewater Rafting Trip

Salmon River | Riggins Area

Need a day of adventure? Experience the Salmon River in Riggins Idaho, full of exciting whitewater, beauty and fun. Come join us on a full day rafting excursion, where you will enjoy stunning scenery, rich history, and the best part of it all, adrenaline pumping whitewater. Let our experienced guides take you down on the relaxing oar boat or grab a paddle and become a part of the crew in the paddle boats.

The Full Day Rafting Trip includes a full lunch, beach stops, time to learn some history of the wonderful river, and the whole gamut of class II to IV whitewater rapids.

The Adventure

The journey begins at Spring Bar boat ramp where you will launch onto one of the most popular rafting stretches of the famous Salmon River. You will experience rapids such as: Ruby, Lake Creek, Traps, Tight Squeeze, Ladder and many more. You will have time to relax on the large white sandy beaches or swim and play a game of Frisbee or bocce ball while you savor our delicious riverside cuisine.

Riggins is Idaho's "White Water Capital" and is nestled between the Seven Devils Mountains the Gospel Hump and Frank Church Wilderness areas. The serenity of the canyon and the thrill of the whitewater's make this a fun filled family adventure.

Adults: \$119.00

Youth: \$95.00 (7-14)

Sample Itinerary

9:00 AM (MST)

Arrive at S & S Outfitters Store and Mountain River Outfitters main office (3323 S Main Street Riggins, Idaho 83549) off HWY 95 south end of town. Here you will get the chance to meet your guides and get any last minute items like sunscreen and sunglass retainers. Don't worry about your car, our staff will hold your keys while you are on the river! You will load up into one of our vans or busses and hit the road for a quick 30 minute scenic drive up river 10 miles to Spring Bar Boat Ramp.

10:00 AM (MST)

Time to hit the river! You have arrived at Spring Bar Boat Ramp and are preparing for the day on the water! Some guides will load the boats while some of the other guides will get you fitted into your life jackets. After the boats are ready and you're feeling good in your life jacket, the trip leader will stand up and provide their river orientation. The river orientation is important to prepare you for the day ahead and make you comfortable if you have any questions! We take pride in making sure everyone has an enjoyable and incident-free trip.

10:30 AM - 12:00 PM (MST)

Time to float! You will start off the morning traveling through a steep and beautiful canyon with some great rapids to get you warmed up and excited for the next whitewater thrill. Before the afternoon festivities begin, you will enjoy a riverside lunch with all the fixings. Gourmet Wraps and Sandwiches, fresh fruit, homemade salads, refreshments, and the best part Brenda's famous homemade cookies for dessert.

1:00 PM - 4:30 PM (MST)

Now that you're fueled up and ready to go, get ready for more white water action, water fights, swimming and more great river lore, history and fun. Prepare for an afternoon in the sun, packed full of fun. You'll finish off the fun day with your guide navigating you through the rapids, with a paddle in your hand helping gain speed and momentum to hit the biggest waves and crash through the drops in the river. This part seems to go by the fastest for everyone. No one ever said time goes by slowly when you're having fun! Soak it in, take some pictures, and cherish these memories for the rest of your life.

And Just Like That, You're Back to the Start

You've arrived at the Lucile boat ramp after a day of fun! Here you will hop into a van or bus for a 10 mile shuttle back to the store and your car. Enjoy a cold beverage with your guide while you look at the photos or relive the excitement of the day. Thanks for rafting with MRO!

MRO Watercraft

At MRO we offer many different watercrafts to suit anyone's needs!

Paddle Raft Our most popular option for shorter trips. A stern frame paddle raft gives everyone a paddle as you will help power the raft through the rapids and aggressively charge through the whitewater.

Oar Raft This raft is known by many as the "Cadillac of the Salmon". Enjoy the river from a "more laid back" point of view. In the Oar Raft your guide will have more control of the boat from a center frame as you face the whitewater with or without paddles.

Inflatable Kayak Want to leave the raft and embark on an adventure controlled by you? The inflatable kayak is perfect for you! With guidance from our professional guides, you can face the whitewater under your own power.

Testimonials:

MRO is the jewel of rafting companies in Riggins. They are totally professional in preparing for your trip, and the trip itself is memorable. They deserve all the accolades bestowed upon them and I cannot wait to ride the Salmon again with MRO!

-Roger K.

Just went on a Full Day Trip. One of my favorite trips I've been on. Our tour guide was Jocelyne and she was funny and so great to be around. Every person we deal with were professional and friendly. I would highly recommend this.

WHAT TO BRING

MRO Provides:

- Clean type V lifejacket (No personal lifejackets are allowed)
- All Safety Gear and First Aid Kits
- All Rafting equipment
- Dry bags for extra personal items
- Soda, water, snacks
- Full Day Trip includes gourmet lunch
- If water temperatures are low or if you are concerned about being cold a wetsuit, splash gear and neoprene river booties will be available for you by request at the Outdoor Center before your trip.

You May Want To Bring:

Chums - These sunglasses retainers help keep your glasses on your head and out of the water.

Beer -Cans only! The MRO Outdoor Center Store has a variety of great beer, all sold in cans.

Hats -A baseball or large billed cap is essential for those sunny summer days on the raft.

Camera -You will want to capture your adventure! You may keep your camera in our dry bags on the raft. A zip lock bag for added security is recommended. Expensive SLR's and video equipment should be in a waterproof hard case. We also sell disposable waterproof cameras at our store.

Water Bottle -There will be plenty of bottled water to keep everyone hydrated but a large reusable water bottle with a secure lid is recommended. (Nalgene or Hydroflasks for example)

T-Shirt -Quick drying recommended , any synthetic materials like Under Armor are recommended. Cotton is fine on hot days, but it doesn't dry out fast, so if it's chilly you will be too.

Swimsuits—You can wear a suit if you would like! Lots of people wear them under their clothes. Summer temperatures can be hot, prepare to get soaked.

Sunglasses -Expensive sunglasses are great but have a tendency to be donated to the fish! Don't bring sunglasses you are willing to lose, or get some extra security like chums.

Shoes -On the raft your feet will be wet most of the day, we recommend sandals or water shoes.

Sunscreen -The sun will be out, don't make a great day bad by not protecting your skin.

Gratuity -MRO prides itself on our outstanding crew, if you feel that the service they provided was outstanding, it is customary to leave a tip. Standard is usually 15-20% cash.

Mountain River Outfitters
